

Cultural Resource Intern

Lawhon and Associates, Inc., based in Columbus, Ohio, is seeking an energetic and self-motivated individual for an internship within our cultural resource department. This position will support a variety of projects including but not limited to: Cultural Resource Literature Reviews, Phase I Archaeological Surveys, Phase II Assessments and Phase III Data Recoveries and Artifact Curation. This position is based in the Columbus, Ohio office and will include a combination of office and field work.

Qualifications

Qualified candidates will possess or be working towards a degree in anthropology, history, archaeology, or similar science-related fields.

Requirements

They must also possess the following skills:

- Excellent oral, written and analytical skills.
- Willingness to support a variety of infrastructure and development project types (e.g. transportation, energy, land management) with private and public sector clients.
- Availability for periodic overnight travel to jobs sites (mainly in Ohio and surrounding states).
