

Engineering Practice Leader

Lawhon & Associates, Inc. (L&A) is seeking an energetic and self-motivated individual to lead our storm water planning and engineering practice. The successful candidate will be involved in all aspects of this service line, including business development, proposal preparation, project design/oversight, staff mentorship and client management. In addition to a negotiated salary, there will be an opportunity to earn commissions/bonuses. This is a full-time position in our Columbus, Ohio office reporting directly to executive leadership.

Qualifications

Qualified candidates will possess a Bachelor's degree in engineering and be a licensed Professional Engineer (PE) in the State of Ohio. The selected individual must be a Certified Professional in Erosion and Sediment Control (CPESC) and have five to ten years of relevant experience. Knowledge of ODOT practices and procedures is also desired, but not required.

Requirements

The required competencies and skills include:

- Effective communication skills
- Strong analytical and problem solving capabilities
- Ability to manage multiple priorities and meet deadlines
- Understanding of regulatory requirements

Contact

We offer industry-competitive salaries, medical, dental, life and disability insurance, a fully vested 401(K) retirement plan with 100% match, paid holidays and sick time. Successful candidates must have an acceptable driving record, be willing to travel and pass a background check. Please send your resume in word or PDF format to mglinsky@lawhon-assoc.com. Reference **ENGINEER2022** in all correspondence.

Lawhon & Associates, Inc. provides full-service environmental engineering and consulting services to solve environmental issues for the public and private sector. The company was established in 1985 to serve an emerging market in asbestos/lead management. Over the past 36 years, our services have grown to include environmental site investigations and remediation; environmental permitting; ecological and wetland services; cultural and historic resources evaluations; indoor environmental quality studies; and NEPA compliance. We have over 35 professionals on staff with expertise and experience relevant to the services we offer. To learn more about Lawhon & Associates, Inc., please visit our website at www.lawhon-assoc.com.
