

## Hazardous Material Technician – Summer Intern

Lawhon & Associates, Inc. (L&A) is one of the leaders in hazardous materials and indoor environmental quality services in Ohio. We have an opportunity for the right individual to join our fast-growing practice in our Hazardous Materials Department as a Summer Intern. The candidate will contribute to a variety of projects including but not limited to:

- Environmental Abatement Monitoring/ Oversight
- Environmental Air Monitoring
- Final Clearance Testing

### Qualifications

Qualified candidates will be working toward or recently received an Associate or Bachelor's degree, preferably in a science-related field. They must also be willing to travel (some overnight stays) and to work in renovation/demolition environments. Specific Ohio EPA asbestos certification training will be provided by Lawhon & Associates. Successful candidate will receive certification for asbestos hazard evaluation specialist and/or asbestos hazard abatement specialist. Must be available to attend training class the week of May 8<sup>th</sup>, 2023, in Columbus.

### Requirements

The required competencies and skills include:

- Strong work ethic
- Effective communication skills
- Strong technical writing skills
- Analytical and problem solving capabilities
- Knowledge of Microsoft office products
