

## Cultural Resource Intern

Lawhon and Associates, Inc., based in Columbus, Ohio, is seeking an energetic and self-motivated individual for an internship within our cultural resource department. This position will support a variety of projects including but not limited to: Cultural Resource Literature Reviews, Phase I Archaeological Surveys, Phase II Assessments and Phase III Data Recoveries and Artifact Curation. This position is based in the Columbus, Ohio office and will include a combination of office and field work.

### Qualifications

Qualified candidates will possess or be working towards a degree in anthropology, history, archaeology, or similar science-related fields; field school or archaeological field experience is preferred. The ability to work outdoors in various weather conditions, sufficient physical endurance to conduct standard archaeological excavation techniques, attention to detail, work reliability, and the ability to work well with others are essential to the position.

### Requirements

They must also possess the following skills:

- Excellent oral, written and analytical skills.
- Willingness to support a variety of infrastructure and development project types (e.g. transportation, energy, land management) with private and public sector clients.
- Availability for periodic overnight travel to jobs sites (mainly in Ohio and surrounding states).
