

Environmental Scientist

Lawhon & Associates, Inc. (L&A) is seeking an energetic and self-motivated individual to support our environmental site assessment department. As a member of L&A's team, you will participate in a variety of environmental site assessment projects, including ESA screenings, Phase I environmental site assessments, Phase II subsurface investigations, soil and groundwater sampling and hazardous materials sampling. Projects may involve travel to job sites throughout Ohio and surrounding states. This is a full-time position in our Columbus office, working directly with L&A project managers.

Qualifications

Qualified candidates will possess a Bachelor's degree, preferably in environmental science, planning, or an engineering-related field, and 1-3 years of environmental consulting experience. A current Asbestos Hazard Evaluation Specialist and OSHA 40 hour HAZWOPER certification is desired but not required.

Requirements

The required competencies and skills include:

- Effective communication skills
- Strong analytical and problem-solving capabilities
- Strong technical writing skills
- Ability to manage multiple priorities and meet deadlines
- Knowledge of Microsoft office products

Contact

We offer industry-competitive salaries, hybrid work flexibility, medical, dental, life and disability insurance, a fully vested 401(K) retirement plan with 100% match, paid holidays and sick time. Successful candidates must have an acceptable driving record, be willing to travel and pass a background check. Please send your resume in Word or PDF format to kblitzer@lawhon-assoc.com.
