

NEPA Planning Specialist

Lawhon & Associates, Inc. (L&A) is seeking an environmental scientist or environmental planner for our NEPA/Planning practice. The successful candidate will support projects and task order agreements that require compliance with the National Environmental Policy Act. This is a full-time position (>32 hours per week) in our Columbus office, working directly with the NEPA project managers. Specific responsibilities will include:

Environmental and Planning Studies: Compile NEPA documents and supporting studies, including but not limited to social, economic and community impacts, underserved populations, Section 4(f) and farmland impacts.

Public Engagement: Prepare public involvement materials (exhibits, handouts, news releases, mailing lists, etc.), assist in material distributions, and support public outreach activities.

Qualifications

Qualified candidates will possess a Bachelor's degree, preferably in environmental science, planning, or an engineering-related field, and 1-3 years of environmental consulting or public engagement experience.

Requirements

The required competencies and skills include:

- Effective communication skills
- Strong analytical and problem-solving capabilities
- Strong technical writing skills
- Ability to manage multiple priorities and meet deadlines
- Knowledge of Microsoft office products

Contact

We offer industry-competitive salaries, hybrid work flexibility, medical, dental, life and disability insurance, a fully vested 401(K) retirement plan with 100% match, paid holidays and sick time. Successful candidates must have an acceptable driving record, be willing to travel and pass a background check. Please send your resume to careers@lawhon-assoc.com. **Reference NEPA2026 in all correspondence.**

Lawhon & Associates, Inc. provides full-service environmental engineering and consulting services to the public and private sector. The company was established in 1985 to serve an emerging market in asbestos/ lead management.
