

Archaeology Field Technician

Lawhon & Associates, Inc. (L&A) is seeking motivated on-call Field Technicians to support projects throughout Ohio and neighboring states. While this is primarily a contract position, exceptional candidates may have the opportunity to transition into a permanent role over time. Compensation starts at \$23.50 per hour, with overtime paid at time and a half. For out-of-town assignments, L&A provides cash per diem, single-occupancy lodging, and daily transportation between the hotel and project site. Work opportunities are anticipated throughout 2026 and beyond.

Qualifications

Minimum requirements include an Associate's degree or Bachelor's degree in Archaeology, or a related field; field school or archaeological field experience is preferred. The ability to work outdoors in various weather conditions, sufficient physical endurance to conduct standard archaeological excavation techniques, attention to detail, work reliability, and the ability to work well with others are essential to the position.

Contact

Please submit a resume detailing your experience and education, three professional references, and contact information to careers@lawhon-assoc.com. Reference **CRMFIELD2026** in all correspondence. Submissions without three professional references will not be considered.
